We would be honored to enroll you in Creighton University’s Heritage Society, which celebrates those who remember the University through estate gifts. Creighton was founded in 1878 through the estate gift of Mary Lucretia Creighton, who willed to establish Creighton College in memory of her husband, Edward. Estate gifts are still critical to the University’s present and future success in fulfilling its educational mission. If you are comfortable sharing documentation of your estate plans, please include with this form to enable us to most effectively steward your gift. The details on this form as well as any additional information you share are held in strict confidence.
